New Directions Publishing Corporation, United States, 1970. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****. Wild nature as the ultimate ground of human affairs the beautiful, precarious balance among forces and species forms a unifying theme for the new poems in this collection. The title, Regarding Wave, reflects a half-buried series of word origins dating back through the Indo-European language: intersections of energy, woman, song and Gone Beyond Wisdom. Central to the work is a cycle of songs for Snyder s wife, Masa, and their first son, Kai. Probing even further than Snyder s previous collection of poems, The Back Country, this new volume freshly explores the most archaic values on earth the fertility of the soil, the magic of animals, the power-vision in solitude, the terrifying initiation and rebirth, the love and ecstasy of the dance, the common work of the tribe.
